for Wiltshire

Wiltshire Council
Where everybody matters

How to recycle as much as possible?

The average household in Wiltshire produces over one tonne of waste a year.
Most people should be able to recycle over half of their bin as follows:

How can I recycle more?

Please remember to use your nearest household recycling centre to recycle as much of your waste as possible. You can recycle batteries, plastics marked with 1, 2 or 3, low energy light bulbs, waxed cartons, bulky garden waste, electrical items and white goods. You can also take excess household waste for landfill.
